

TECHNICAL TRAINING DAYS 2011

ILED UNIVERSITY

Firstly, I would like to thank all of you who have regularly attended all of our training workshops to date—knowledge is power, and everyone of you has added value to the sessions—Thank you!!!

These are the last 2 sessions of 2011—We will resume in February 2012 with fresh and exciting new training sessions.

Please keep on submitting your suggestions for the training sessions—this has been working extremely well, keep them coming....

THE NEXT TWO SESSIONS . . .
